- $\star$   $\star$  \* "Yet throughout Lisa Spirling's wonderfully well acted production, it brings out the humanity as well as the humour and the news lines a conflict that also serves as a comedy of manners for the social media age." (Dominic Maxwell, The Times)

#### THE BOYS ARE KISSING - Theatre503 and Live Streamed

- $\star$   $\star$   $\star$  "a play that is so adventurous in form, and so entertaining with it. Zarafshan has bold talent and this debut is an exciting discovery." (Arifa Akbar, The Guardian)
- $\star$   $\star$   $\star$  "Director Lisa Spirling handles the comedy with control and draws excellent performances from the cast." (Nikita Karia, The Stage)

#### WOLFIE - Theatre503

 $\star\star\star\star$  "Imaginatively and noisily staged by Lisa Spirling, it's a fairy tale with bite, sinking its teeth into the frailties of the care system and the human cost of its limitations." (Henry Hitchings, Evening Standard)
