REVIEWS AND ARTICLES

WAGATHA CHRISTIE - West End and UK Tour

★★★★ "Writer Liv Hennessy and director Lisa Spirling bring the irresistible courtroom drama of the Vardy v Rooney libel trial to hilarious, gripping life" (Nick Curtis, [Evening Standard](#))

★★★★ "Yet throughout Lisa Spirling's wonderfully well acted production, it brings out the humanity as well as the humour and the news lines a conflict that also serves as a comedy of manners for the social media age." (Dominic Maxwell, [The Times](#))

THE BOYS ARE KISSING - Theatre503 and Live Streamed

★★★★ "a play that is so adventurous in form, and so entertaining with it. Zarafshan has bold talent and this debut is an exciting discovery." (Arifa Akbar, [The Guardian](#))

★★★★ "Director Lisa Spirling handles the comedy with control and draws excellent performances from the cast." (Nikita Karia, [The Stage](#))

WOLFIE - Theatre503

★★★★ "Imaginatively and noisily staged by Lisa Spirling, it's a fairy tale with bite, sinking its teeth into the frailties of the care system and the human cost of its limitations." (Henry Hitchings, [Evening Standard](#))
