<b>SENTINEL</b>	Sentinel Entertainment/Allfilm/Stigma Films/Kick Film/Altitude Films	Director. Feature film. Writer: Malachi Smyth. Producers: Ben Pullen, Matt Wilkinson and Ivo Felt. Starring Kate Bosworth, Lucien Laviscount, Martin McCann and Thomas Kretschmann. *Nominated for Best Drama, Best Thriller and Best Action at the National Film Awards, 2023 Set in the future on a war-ravaged Earth, four soldiers man "Sentinel", a remote military base in a vast ocean that separates two warring continents. They await the relief or the enemy, whichever comes first. But as the empty weeks turn to months, a paranoia descends that tests relationships to breaking point. A thriller for our times, Sentinel is inspired by this century's major themes - territorial dispute and the climate catastrophe. How does humanity respond when the challenges seem not only insurmountable but incomprehensible?
