

## Nick Spalding

### Author

Nick Spalding is an author who, try as he might, can't seem to write anything serious.

Before becoming a full-time author, he worked in the communications industry, mainly in media and marketing. As talking rubbish for a living can get tiresome (for anyone other than a politician), he thought he'd have a crack at writing comedy fiction - with a very agreeable level of success so far, it has to be said. Nick has now written several books which have sold nearly 1.5 million copies altogether... and still can't quite believe his luck.

SIDES**  
2013  
UK: Coronet;  
German: Pendo/Piper  
Taschenbuch; Italian:  
Newton Compton;  
Polish: Muza; Russian:

When Nick Spalding self-published Love... From Both Sides and Love... And Sleepless Nights he became one of the bestselling ebook authors of 2012. Now for the first time the Love... books are being published in a longer format with more of the love story, more of Laura and Jamie's ups and downs and more of the laugh-out-loud hilarious moments that fans have come to know and love. Sometimes, the hardest part of finding love is keeping a straight face... For Jamie Newman, being a single guy isn't proving to be much fun, especially when confronted with a sexually belligerent divorcee and a goddess so far out of his league she might as well be a different species. Mind you, being a girl in search of love isn't a bowl of cherries either. Just ask Laura McIntyre, who's recently contended with a horny estate agent on a quest for light relief and a rabid mountain bike enthusiast with a penchant for lycra that leaves little to the imagination. When Jamie and Laura bump into one another (quite literally) it looks like their luck may have changed - but sometimes finding the right person is only the start of your problems... Love... From Both Sides is a warts-and-all romantic comedy for everyone who knows how tricky the quest for love can be.

**LOVE...AND  
SLEEPLESS NIGHTS**  
2013  
UK: Coronet/Hodder

Sometimes, the hardest part of becoming a parent is keeping a straight face... Just ask Jamie and Laura Newman, who (thanks to a rather relaxed attitude to contraception) find themselves about to have a baby. It's obviously a terrifying prospect for a newly married couple, but as long as they stick together they'll be just fine...right? They'd better because the path between falling in love and those first few baby steps is littered with obstacles. Featuring a hilarious cast of characters including an overbearing mother-in-law, a terrifying midwife and at least one chorus of mating humpback whales. Love...And Sleepless Nights is the hilarious follow-up novel all about what happens beyond the happy ever after. Falling in love with another person is easy, making a new one is where things get complicated.
