

Paul Foster

Director

Paul trained at LAMDA and the University of Leeds.

★ ★ ★ ★ ★

directed with a winning combination of levity, riotous exuberance and occasional moral seriousness by Paul Foster

The Telegraph on *The Cabinet Minister* (Menier Chocolate Factory)

★ ★ ★ ★

Directed by Paul Foster, the production is immaculate in its execution ... There is no stage comedy out there quite so funny, and this is as frothily enjoyable as it is pertinent

The Guardian on *The Cabinet Minister*
