

Denyse Beaulieu

Denyse Beaulieu was born in Winnipeg, Canada, where she learnt French from her parents and English from the rest of the world, which makes her a rare bird: a writer equally proficient in both languages. She started out as a rock critic in Montreal during the punk era, covering shows in clubs she was too young to access legally.

She came to Paris 25 years ago to do her PhD on the Marquis de Sade, and has been living there ever since. Most of those years were spent writing features and profiles for French magazines: she conceived and edited *Bagatelle*, the first erotic magazine for women to be launched in France.

Denyse now works as a translator, and writes the occasional essay for art reviews and exhibition catalogues, but devotes most of her free time to smelling, analyzing and reviewing perfumes for her bilingual blog Grain de Musc. She is the author of *SEX GAME BOOK: A CULTURAL HISTORY OF SEXUALITY* (Assouline, 2006).
