

## Catherine Barr

### Children's Author

Catherine writes books to spark questions, inspire curiosity and provoke action to protect the natural world. After campaigning with Greenpeace for years, she trained as a journalist and became Editor at the Natural History Museums. She wrote her first book *The Story of Life* (in collaboration with the Museum) after searching in vain for a simple science book about evolution for her children. It has now sold over 80,000 copies worldwide and 2024 celebrates the 10 year anniversary of this ongoing series.
