

## Penny Neville-Lee

### Children's Illustrator

Penny was raised on a healthy diet of Saturday cartoons and MGM musicals. Never happier than when creating, she spent her early years drawing and making and was rarely found without a doodle somewhere in the margins. Penny studied MA Painting at the Royal College of Art. After several years making large oil paintings of gloomy woods in the company of Radio 4 and some studio mice, she had her small son, shifted to the kitchen table and realised there might be something in those doodles after all.
