

Femi Oladigbolu

Femi Oladigbolu is a writer-director from South London. With a Nigerian heritage, Femi's talent lies in subtle storytelling, creating warmth and affinity for characters with thick subtext and light humour. Previous short films include *Oba* and *Aphorisms* which have been screened at a number of international festivals. Femi also has an extensive background directing commercials and music videos; his videos have amassed millions of views on YouTube and he directed one of the most exciting videos of 2020 - Pa Salieu "My Family".
