<b>Where There is Evil</b> 2006 Pan	Sandra Brown was eight when her friend and neighbour, twelve-year-old Moira Anderson, disappeared from the small town of Coatbridge near Glasgow in 1957. Moira has never been seen since. Twenty-seven years later, at a family funeral, Sandra's estranged father confessed to her that he had been involved in the girl's disappearance. Appalled and fascinated by his curious half confession, Sandra began to delve into the case and in so doing discovered that her father was an acknowledged child molester whose activities were known not just to everyone in Coatbridge but also to the police.
