The Inside-Out Revolution: Two things you need to know to change your life forever 2013 Hay House	When bestselling author and world-renowned coach Michael Neill happened upon a new approach to unleashing the human potential and experienced its positive effects in his own life, he was intrigued. When he looked deeper, he discovered a rich body of work built upon three fundamental principles that explain not only why we feel the way we feel, but how our experience of life can transform for the better in a matter of moments. As he explored these principles more deeply and introduced them into his practice, he saw seemingly miraculous changes happen before his eyes time and time again. In The Inside-Out Revolution, Michael shares the principles behind the human experience and the only two things you need to know to begin to experience these kinds of dramatic changes for yourself. As you discover how to tap into your human potential, you will learn how to dissolve problems, become discouragement proof, change your life for the better, awaken your spirit and meet any situation you encounter with clarity and love - with miraculous results
