

Luisa Plaja

Children's Author

Luisa Plaja (pronounced 'playa' like the Spanish for 'beach') grew up in Sicily and Greater London with two languages and at least two cultures. She has lived in lots of places, including Boston, USA and all over England, and she currently lives in Devon with her family. She has a degree in Linguistics and has worked in lexicography, television subtitling and linguistic software engineering. As a teenager she sold photo love stories to magazines, and she has never lost her passion for teenage fiction.
