| THAT CLOSE | Suggs is one of pop music's most enduring and likeable figures. Written with |
| 2013 | the assured style and wit of a natural raconteur, this hugely entertaining and |
| Quercus | insightful autobiography takes you from his colourful early life on a North |
| | London council estate, through the heady early days of Punk and 2-Tone, to |
| | the eighties, where Madness became the biggest selling singles band of the |
| | decade. Along the way he tells you what it's like to go globetrotting with your |
| | best mates, to sign away your entire song rights 'in perpetuity' and cause an |
| | earthquake in Finsbury Park. |

| 2009 | home town. Having lived in London as man and boy, this is Suggs's personal |
| Headline | take on an ever-changing London, a city whose traditions and foibles are |
| | under threat from the march of time. From the suited and booted tailors of |
| | Savile Row to the sex traders of bohemian Soho, by way of quaint and quirky |

| | London a gastronomic heartland and a music scene that's both the envy of the |

| | the skin of a living, breathing city. It's a guided tour of the quirks of its chaotic |
