

## Rain Li

### Director of Photography

Rain Li was born and raised in Beijing, China. A passion for Cinema and TV led her to enter into the film industry as an electrician / spark on short films, commercials and feature films, moving to the camera department six months later at the age of 16. By age twenty-six, she had shot ten features, twenty-five short films, numerous popular commercials, music videos and also interesting art and fashion projects. She is currently developing more ideas towards projects bridging fine art, photography and film.
